Hi Bob,

I have the time on my calendar as 2pm to 4:30 pm EDT (11-1:30 PDT).

If it really is 5:00 EDT - I won't be on the call at all, as I leave at 4:30. Hopefully, Judy will jump on the thread to confirm the time.

Cheers,  
Barb

Glenn and others,

I guess our call today is from 5:00 PM to 7:30 PM eastern time (at least that is what Lotus Notes tells me?). I will have to leave at 5:30 PM my time, but assuming that we follow the agenda, I should be up first.

(b) (5) [REDACTED], I can provide geologic descriptions of the other prospects in the Bristol Bay watershed, but likely will be limited to information on the companies' web pages, which is sparse at best.

Here is the agenda for tomorrow. Take a look at it. You will probably see your name.  
Judy will operate the gotomeeting, so anyone who wants to show products or illustrate issues can do so.
